

# NSE's CERTIFIED CAPITAL MARKET PROFESSIONAL

*A joint certification program on capital market in association with St. Xavier's College*

## INTRODUCTION

Certified Capital Market Expert is an endeavor which promises to provide a strong understanding of capital markets in India. The course provides a broader framework to participants who would like to understand the markets with a holistic practical approach and with a global perspective.

**This course is specifically designed for freshers who would like to understand the core functioning of markets and link the theoretical concepts learned during their academic pursuits with the practical world.** This course will enrich the participants with the much needed quality knowledge on markets, current affairs and economics.

## CONCEPT

Indian economy is one of the highest growing economies in world today with GDP growth of over 6%. Two major engines of growth are – Domestic consumption capability and infrastructure development. With growing need of young India the sustainability of this growth rate is not to be questioned. Financial market has played its part in the growth momentum and has been a very strong catalyst to this growth. Evolution of the exchange traded derivatives market has managed the price risk very well to manage the growth.

With the growth trajectory to continue, a sound knowledge of finance is the most important area for any career. CCME **course fulfills the objective of providing all relevant tools and techniques to understand the various facets of the capital market covering practical exposure in equity, commodities and currency.**

## WHY KREDENT ACADEMY?

Kredent Academy is a unique concept where the industry leader has taken the onus to create the relevant and productive resources for its industry requirement and to create a valuable knowledge bank in the society. Kredent Group with its strong pedigree in the Indian financial services is well suited to offer a practical oriented, real time learning courses on capital market for the relevant candidates.

Kredent Group is a well diversified, 20 year old group having business interests in the areas of financial services, real estate and education.
